

# J.J. Cale, Stone River

(J.J. Cale)

Stone river  
Water ain't runnin' no more  
Stone river  
Water ain't runnin' no more  
Man he done cut it off  
And moved it all around  
There ain't no river runnin'  
No water can't be found  
Stone river  
Water ain't runnin' no more  
Fish ain't swimmin'  
Ain't no fish around nowhere  
Fish ain't swimmin'  
Ain't nobody seem to care  
They botteled up and dammed it  
Choked it up and jammed it  
Killed the life around it  
And stole it like a bandit  
Stone river  
Water ain't runnin' no more  
What used to be a river  
Now is just an empty site  
Ain't no vegetation  
It's just an agitation  
It don't seem right  
There ain't no trees a growin'  
No animals are showin'  
What used to be a stream  
Now is just a dream  
Stone river  
Water ain't runnin' nowhere  
Stone river  
Water ain't runnin' no more  
Man he done cut it off  
And moved it all around  
There ain't no river runnin'  
No water can't be found  
Stone river  
Water ain't runnin' no more  
They botteled up and dammed it  
Choked it up and jammed it  
Killed the life around it  
And stole it like a bandit  
Stone river  
Water ain't runnin' no more  
There ain't no trees a growin'  
No animals are showin'  
What used to be a stream  
Is now just a dream  
Stone river  
Water ain't runnin' nowhere  
Stone river  
Water ain't runnin' no more
