

J-Kwon, No More Crying

[J-Kwon:]

Ohhhhhhhh

J-Kwon

New hot music

Let's go

I mean you never Ever, Ever, Ever, Ever Ever gonna find another one like me.

[Chorus: Joel Madden]

Don't say a word I don't want to see u crying.

Don't tell a soul, you're the one who I confined in.

You keep my, and I will keep you by my side.

It seems we know it will take.

[Verse 1: J-Kwon]

First off you my wifey and I think you like me.

Every time you see me doing things trying to excite me.

Seven forty-five.

Now all these new found feds tryin to edited me.

Now who's the first to write me?

like you that ain't like me.

even hally berry couldn't entice me.

Remember when we kept it hot in December.

Did - tours I did those in November. November

And it just ain't right girl, being without you.

It just ain't right girl.

[Chorus: Joel Madden]

Don't say a word I don't want to see u crying.

Don't tell a soul, you're the one who I confined in.

You keep my , and I will keep you by my side.

It seems will take.

[Verse 2: J-Kwon]

We kept and stuck through it.

I'm talking -.

Yeh girl you earned your position.

Even though you couldn't cook,

You still kept your ass in the kitchen.

Ohhh

And you remember,

When we went to see -.

I was kinda hating,

He told me I could get richer.

Basically you're the one who painted that picture.

Il stay with you when your thick,

But please stay thinner.

J- Kwon.

Girl I love you in the worst way.

Stick through the rain,

-.

Bottom line we gotta do this for heaven sake.

We already had sex, we gotta have some wedding cake.

[Chorus: Joel Madden]

Don't say a word I don't want to see u crying.

Don't tell a soul, you're the one who I confined in.

You keep my -, and I will keep you by my side.

It seems - will take -.

[Verse 3: J-Kwon]

We past the love shit now coz we only poppin'.

Ridin in my - then somebody start poppin'.

-
I hope you understand that we just killed a man.
Now we headed to the desert.
Why is it so deserted out here? Coz it's a desert.
Now I'm getting nervous coz u acting nervous.
Then you see your phone, yehhh it's outta service.
- might lose control.
Take the same gun and put you in the same hole.
But I don't wanna do it I love you, what can I say.
- and take this to the grave.

[Chorus: Joel Madden]
Don't say a word I don't want to see u crying.
Don't tell a soul, you're the one who I confined in.
You keep my -, and I will keep you by my side.
It seems will take.
