

# J-Shin, I'll Do It

[J-Shin:]  
Yo, I'll do it babe  
I'm with it babe

[Mystic:]  
I'll give you the sun and the moon  
The cars and stars  
The weed and the guards  
Hot sex in the yard when it's dark out  
Do you like Trick Daddy?  
You can call me Big Daddy  
Brick layer  
From the side a lil' slick player  
Who wanna do it all for you  
You're the one I wanna call my boo  
When it's summer, spring, fall for you  
Blockin' all my hoes calls for you  
I'll do it all for you

[J-Shin:]  
Girl there isn't anything  
That I wouldn't sacrifice  
Just to show I care for you  
You're more precious than a diamond  
So baby tell me where I stand  
Can't be no less than the only man  
You're all I ever hope for  
You're all I ever needed, I needed, I needed

[1: J-Shin]  
So if you ask  
Baby we can get it  
I'll pay your bills, your car

Know girl I'm with it  
Whatever you want  
There's no limit  
There's no limit on you  
And the things I will do

[2: J-Shin]  
I'll do it babe  
I'm with it babe  
I'm gonna do it babe  
I'll do it babe  
I'll do it babe  
I'm with it babe  
I'm gonna do it babe  
I'll do it babe

[J-Shin:]  
I'll give you what you want and more  
I'll open up so many doors  
There's so much I wanna do  
I wanna spend my life with you
