

# J-Shin, Player Hater

No, don't hate no  
Oh yeah  
Oh why you wanna hate on me?

Playa hater  
Why you wanna trip on me?  
See I don't know why  
You wanna hate on me

Playa  
Why oh why?  
I don't know why  
So check it out, check it out

Sitting home one night just thinking about it  
I check the clock to see the clock said twelve  
See I've been out just one week  
I did a year in DC jail  
See you don't know the type of things I'm going through  
Sometimes you in something you knew  
I got the clothes, unique style and pretty girls  
But what a cold, cold cruel world

Playa hater  
Why you wanna trip on me?  
See I don't know why  
You wanna hate on me

Playa hater  
Why you wanna trip on me?  
See I don't know why  
You wanna hate on me

See times have changed  
But you can't make it in this world  
If you don't know the game  
I can't lie  
I have no fear  
I'm anybody I can  
This brother wanna own these

See I was raise as a young child  
Fear no man, put God in your life  
I hold my head now, hold my head up high  
And move on, I gots to move on

I don't know why  
Playas wanna hate on me  
We're all the same  
Respect the game

I don't know why  
Playas wanna hate on me  
We're all the same  
Respect the game

Playa hater  
Why you wanna trip on me?  
See I don't know why

Cause all around town they dropping rage  
They said I'm no good

Females walking around telling their friends
