Ja Rule, Last Temptation

(feat. Charli Baltimore)

[Ja Rule] Yeah, yeah, heh You feel that Can you feel that Yall cant feel that, heh, yeah We gonna do it like this Real old school, shit Take them back to the parks and shit Do it like, we used to do it, you know DJ Irv days, and shit

[Chorus] Lets all get high, get out, feel free tonight Temptations, is tempting To have the time of your life Lets all get high, get out, feel free tonight Temptations, is tempting To have the time of your life

[Ja Rule]

Come on y'all, tonight somebody sho nuff Gon' tear the club the fuck up as soon as I hit the scene All eyes on us, mean, and so vicious A good nigga, bad intentions Not to mention, them 12 engine benzes with fish lenses We park right out front To handle our business The broads on the way in Showin a little attention Like, i fucked before but aint never call Thats life you either love to live it Or just live it, i live it to the limit Champaigne finish gangsta Image, platinum shades swingin Then i do that 2 step that niggaz do We dont really dance We just rub the dick on the ass And fill the glass with nothin but ?? And if they pop it gettin the poppin with me Get my niggaz tonight baby, lets partaay!

[Chorus]

[Charli Baltimore] Yo, uh Now a party aint a party till chuck come through Bring who? Rolled dolo jeans over Manolo's Duke says I look better out the photos And hotter in person, hottest when I'm cursin Love my bitch thuggelbees Strokin my ego, then he go For the bubbly, nigga love me We go to the vehicle, talk dirty Past flirty, flight leavin at 5:30 It's hot in herre, foggin the windows Bubble m's be the symbols through that! Throw dat, I the designated driver Chuck never the rider, gotta play Passenger side beside them, whoa Gotta be controllin when I'm rollin Weed niggaz swollen, cock blocker Hands on my knockers, he feelin them poppers

But Chuck never givin it up, livin it up

[Chorus 1x]

[Charli Baltimore] Uh, Count me and My niggaz as OD'in Rule got a bitch Korean, lap dancin Off to the murder mansion, ride the shoulder Benz and the Rover, Nigga we aint sober Girl Interrupted, murder got me corrupted With shots so that any lickin shots with the semi Out the sunroof of the Bentley Bottles all empty but niggaz got stashes Never fuckin the glasses

[Ja Rule] Ha, You know the Rule roll up in the party Me and Charli, Ready to have them hotties Rub up on my body, cuz after the club Its the after set, with some pushin a little head Is always the safe bet, she tell me V twizzy In the Red Corvette, swervin lanes ?? a little pain and say what's my name, Rule Baby! You know it, now lets get high Take a ride with me tonight, yea

[Chorus 3x]

We gotta give a dance to this shit here ha-ha

Uh Murder Inc shit, Heh, yea Rule baby Chuck B-More, its a family affair Can you feel it, can you feel it You cant feel it, heh TEMPTATIONS!

[Chorus 1x]

Come On Yall!
