You Don't Miss A Thing

Words and Music by Mark Heimermann, Nick Gonzales, Javier Solis, Brad Ford and Shannon Ford

You know my motives

You know my heart

No matter what I'm doin'

You see my secrets

Right through the dark

Who do I think I'm foolin'?

You watch me runnin'

You let me hide

'Cause You know where I'm goin'...to

Seeking me

Reaching me

Keeping me in Your care, Lord

I can't escape it

1st Chorus:

You don't miss a thing I do

You see every move I make

But You know everything I need

You don't let a care get by You

You don't miss a thing, do you?

When my heart's broken

You dry my tears

'Cause You know what I'm feelin'

When I am frozen

You melt my fears

Your gentle love is healing

You feed my hunger

You quench my thirst

'Cause You are my provider

Leading me

Teaching me

Keeping me in Your care, Lord

I can't escape it

2nd Chorus:

You don't miss a thing I do

You see every move I make

You know everything I need

You don't let a (care) get by You

You hear every word I say

I will never go unnoticed

'Cause You don't miss a thing, do You?

(repeat)

You don't miss a thing...No, no, no...
