

# Jack Bruce, Sunshine Of Your Love

It's getting near dawn  
When lights close their tired eyes  
I'll be with you soon my love  
To give you my dawn surprise  
I'll be with you darlin' soon  
I'll be with you when the stars start fallin'  
I've beet waitin' so long  
To be where I'm goin'  
In the sunshine of your love

I'm with you my love  
The light's shinin' thro' on you...  
Yes I'm with you my love  
It's the mornin' and just we two  
I'll stay with you darlin' now  
I'll stay with you till my seas are all dried up  
I've been waitin' so long  
To be where I'm goin'  
In the sunshine of your love
