

Jack Greene, Just Someone I Used To Know

[Both]

There's a picture that I carry one we made some time ago

When they ask who's in the picture with me I say just someone I used to know

Just someone I used to spend some time with just a flame that's lost its glow

[Jack]

But I don't tell them of the nights I cried without you

[Both]

I say just someone I used to know

[steel]

Just someone I used to run around with just a friend from long ago

[Jeannie]

I don't tell them how lost I am without you

[Both]

I say just someone I used to know I say just someone I used to know
