

Jack Greene, Love Me Love Me

I've searched so long for love and understanding
Someone to share my dreams as I grow old
And now that I found you and I have my arms around you
I don't ever intend to let you go
So darling love me love me that's all that I ask of you
Just love me love me and I'll give all my love to you

[guitar]

You're lovelier than all the words and music to all the songs the world will ever sing
And with you to walk beside me no clouds can ever hide me
From the sunshine that just one smile can bring
So darling love me...
