

Jack Greene, Wish I Didn't Have To Miss You

[Both]

Sunday morning and I'd best be on my way got a feelin' it will be a busy day
Doing something I'm not looking forward to wish I didn't have to miss you
Broke the clock because I wound it up too tight
Lucky me I didn't sleep a wink last night
So I wish upon a time to do what I must do wish I didn't have to miss you
Wonder who's glass is what I'm seeing through
Because I'm seeing everything with you everything with you
Now it's Sunday and I may go for a hike
Cause when it's Sunday it'll be Sunday day and night
Red is red and black is black and blue is blue I wish I didn't have to miss you
Wonder who's glass is...
Wish I didn't have to miss you
