Jack Ingram, I Would

If I close my eyes a while
Maybe I'd see through
Yeah I'd see through the miles
That won't keep me from you
And an arms length away
Is to far of a place
Yeah maybe what you need
Is to be my saving grace

Chorus
And I would if I could
And I want you to know
If you ask I would give
You better believe I would

Yeah well they say nothing lasts
But I don't believe thats true
And I would do my best
Just make this good for you

Chorus
And I would if I could
And I want you to know
If you ask I would give
You better believe I would

I bet you'd be amazed
If I shut my mouth
And just listened to you say
That you're letting me stick around

Chorus
And I would if I could
And I want you to know
If you ask I would give
You better believe I would

Yeah I would if I could
And I want you to know
If you ask I would give
You better beleive I would
Yeah you better believe I would
Yeah you better believe I would
