

# Jack Ingram, Wherever You Are

This desert wind is burnin' my face again  
God I'm missin' you  
Been runnin' blind under a broken sky  
With regrets I was sorting through  
But lesson learned baby  
I've made the turn

Wherever you are  
No matter how far  
Girl I'm gonna find my way to you  
Through rivers of rain  
Over mountains of pain  
Do whatever on earth I've gotta do  
I'll follow the dream I'll follow my heart  
Girl I've gotta be  
Wherever you are

So many miles to where we said goodbye  
To the street of shattered dreams  
I'm prayin' hard you didn't start a life  
With someone who's not me  
And if you're just gone  
Girl I'll be movin' on

(Chorus)

Let the sunrise find me searchin'  
Let the west wind carry my plea  
Give this changed man one more last chance  
Open your arms to me

Wherever you are  
Through rivers of rain  
Over mountains of pain  
Do whatever on earth I've gotta do  
I'll follow the dream I'll follow my heart  
Girl I've gotta be  
Wherever you are  
Wherever you are  
Wherever you are
