

Jack Johnson, Angel

I've got an angel
She doesn't wear any wings
She wears a heart that can melt my own
She wears a smile that can make me wanna sing
She gives me presents
With her presence alone
She gives me everything I could wish for
She gives me kisses on the lips just for coming home

She could make angels
I've seen it with my own eyes
You gotta be careful when you've got good love
Cause the angels will just keep on multiplying

But you're so busy changing the world
Just one smile and you can change all of mine
We share the same soul
Oh oh oh ohhh
We Share the same soul
Oh oh oh ohhh
We Share the same soul
Oh oh oh ohhh
Oh oh oh ohhh
Umm umm umm uhhhhhhmm
