

Jack Johnson, Dreams Be Dreams

She's just waiting for the summertime
when the weather's fine
and she could hitch a ride out of town and so far away
from that low down, good for nothing
mistake making fool with excuses like
"Baby that was a long time ago";
but that's just a euphemism if you want the truth he was out of control
but a short time is a long time
when your mind just won't let it go

well summer came along and then it was gone
and so was she but not from him
cause he followed her just to let her know
her dreams are dreams
and all this living's so much harder than it seems
but girl don't let your dreams be dreams
you know this living's not as hard as it seems
don't let your dreams be dreams...
