

# Jack Johnson, Just Can't Go To Sleep

Don't you know,  
I just can't go to sleep.  
Oh mama don't you know,  
I just can't go to sleep.  
You told me go to bed hours ago but,  
Mama you know I just can't sleep  
It's getting late,  
I just can't close my eyes.  
Well it's, getting so late,  
I just can't close my eyes.  
I'm so afraid if I close my eyes  
I just won't see what's outside  
You told me go to bed hours ago but,  
Mama I just can't sleep.....
