

# Jack Johnson, The News

A billion people died on the news tonight  
but not so many cried at the terrible sight  
well mama said, &quot;it's just make believe,  
you can't believe everything you see  
so baby, close your eyes to the lullabies  
on the news tonight&quot;

Who's the one to decide that it would be alright?  
To put the music behind the news tonight?  
well Mama said, &quot;you cant believe everything you hear  
the diagetec world is so unclear so baby, close your ears  
on the news tonight, on the news tonight  
The unobtrusive tones on the news tonight.&quot;

And Mama said, mmmmm-mmmmm  
&quot;Why don't the newscasters cry when they read about people who die?  
At least they could be decent enough to put just a tear in their eyes&quot;  
and Mama said, &quot;it's just make believe you can't believe everything you see  
so baby, close your eyes to the lullabies on the news tonight.&quot;
