

# Jack Johnson, You're Missing Me

He's got a whole lotta reasons  
He can't think of a single one that could justify leavin'  
She got none but she think she got so many problems  
And she got too much time to waste  
His dreams are like commercials  
But her dreams are picture perfect and  
Dreams are so related though they're often under estimated  
la da da...  
Simple is something that nobody knows  
her eyes are as big as her bubbly toes  
On the feet of a queen in the hearts of the garden  
Feet are infested with tarballs  
la da da...  
(x4)If you would only listen  
You might just realize what you're missin'  
You're missin' me
