

Jack Off Jill, Don't Wake The Baby

Don't wake the baby
Step on its fucking head
You may be an asshole
I love you instead

Don't wake the baby
Step on its fucking head
You may be an asshole
I love you instead

Don't wake the baby
Shut up you're waking the baby
Shut up you're waking the baby

Daddy feeds the scary clown
He likes me more with his pants down
Fuck you!

Don't wake the baby
Shut up you're waking the baby
Shut up you're waking the baby

Shut up
Shut the fuck up
