

Jack Off Jill, Girlscout (Switchblade Remix)

if you never want for more
if you want , if you want it, if you never want for more, if you want it
and i was never your number one fan
how can i grow a girl when you never were a man?
and i was never your number one fan
how can i grow a girl when you never were a man?
kissed by a star, kissed by a star, hurt by a star, fucked by a star
kissed by a star, kissed by a star, kissed by a star,
kissed by a star, kissed by a star, hurt by a star, fucked by a star
kissed by a star, kissed by a star, WOAH!
kissed by a star, kissed by a star, hurt by a star, fucked by a star

fuck what i want
fuck what i need
i'll sacrifice what i believe
my little girlscout, my little girlscout,
