

Jack Ryan, Strong

...
My heart, your heart
And yours..
So take me out
Breake me down
Take me where you want me to go

My mama said:
My mama said boy!
My mama said:
My mama said boy!
You got to be stronger
You got to be stronger
You got to, You got to, You got to
To the day I?m ?
You got to, You got to, You got to
