

Jack Savoretti, What More Can I Do?

in this moment of silence
i see the two sides of enemies
in a peace, and in the violence
I am so scared of what I hear
your sound fall on my like tears

What More Can I Do?
no one ever sees this side of you
all your little lies I know that's true
all the foolish things you do
is ask me to believe in
I fall to my knees
I bagger you please
What More Can I Do?
no one ever sees this side of you
maybe its lie but its still true
all the foolish things you do
I never stop lvin' you!
