

Jackie Boyz, She's Not Perfect

Oh, oh, oh, oh, oh yeah, yeah, yeah

[Chorus:]

She's not perfect

But all I want and need

And I won't ever change her

I won't ever let her get away

She's not perfect

But all I want and need

And I can't live without her (Because)

She's not perfect, she's my girl

Mm yeah, mm yeah, mm mm yeah, mm yeah

Mm yeah, mm yeah, mm mm yeah, mm yeah

[Verse 1:]

She's addicted to the fashion life

Loves all the attention

Shoppin' not to mention

Sometimes people ask me why

I let her get so close

Cause they don't really know

The things that she sacrifice

Helped me out when I was close to nothin'

And give me something

[Bridge:]

Now I can talk about things she don't got

But love for me yeah she got a lot

And I love every thought about her

[Chorus:]

She's not perfect

But all I want and need

And I won't ever change her

I won't ever let her get away

She's not perfect

But all I want and need

And I can't live without her (Because)

She's not perfect, she's my girl

Mm yeah, mm yeah, mm mm yeah, mm yeah

Mm yeah, mm yeah, mm mm yeah, mm yeah

[Verse 2:]

She's everything to me she's all I know

Sometimes she can be a little insecure

Her flowers need time to grow

A lot of people don't see

The things she do for me

There's no need to ask me why

Just know she's my heart and she's my soul

I wouldn't trade her for gold

No, no, no, no

[Bridge:]

Now I can talk about things she don't got

But love for me yeah she got a lot

And I love every thought about her

[Chorus:]

She's not perfect

But all I want and need

And I won't ever change her

I won't ever let her get away

She's not perfect

But all I want and need

And I can't live without her (Because)

She's not perfect she's my girl

Mm yeah, mm yeah, mm mm yeah, mm yeah

Mm yeah, mm yeah, mm mm yeah, mm yeah

[Verse 3:]

No no she's not your average lady

She fits my world just fine (Fine)
She might not fit your category
But she's perfect in my eyes
[Bridge:]
Now I can talk about things she don't got
But love for me yeah she got a lot
And I love every thought about her
[Chorus:]
She's not perfect
But all I want and need
And I won't ever change her
I won't never let her get away
She's not perfect
But all I want and need
And I can't live without her (Because)
She's not perfect, she's my girl
Mm yeah, mm yeah, mm mm yeah, mm yeah
Mm yeah, mm yeah, mm mm yeah, mm yeah
