

# Jackie Greene, Maria, Maria (It's A Sin To Tell A Lie)

Maria, Maria its a sin to tell a lie  
Maria, Maria its a sin to tell a lie  
Its a sin, yes its a sin  
To pretend, yes its a sin  
Maria, Maria its a sin to tell a lie

Maria, Maria its a long, cold road back home  
Maria, Maria I wish I would have known  
Well I wish, I would have known  
But I thought that you'd be alone  
Maria, Maria its a long cold road back home

Maria, Maria don't you think of me?  
Maria, Maria I'm as blind as blind can be  
Well I'm as blind, as blind can be  
Cause you never cared for me  
Maria, Maria I'm as blind as blind can be
