

Jackie Greene, The Rusty Nail

I broke my back just for her
I got off track, now thats for sure
I used to give her my money,
Id tell you no lie
It cost me 20 dollars
every time shed cry
but I dont care no more
cause she aint mine

and that rusty nail
gave me a thrill
that rusty nail
do me like she never will
well I know theres another man
that she found
cause the only time shes loving
is when I aint around and
that nail gonna nail me in the ground

sometimes its raining
sometimes it aint
sometimes Im changing
sometimes I cant
sometimes im right, sometimes im wrong
most times I feel like I just dont belong
but the whole time I stay here all night long

and that rusty nail
kissed me goodnight
took all my money,
turned out the light
well I had a little girl, but she aint around
my nerves are scattered and I come unwound
and that nail gonna nail me in the ground
