

Jackie Lomax, Rock Salt

I don't want no rock salt
I won't eat no gingerbread
I can't get my rock salt
When I get it in my head

'Cause it takes me all my time
Just to keep on goin' on, yeah
It takes me all my time
Just to keep on goin' on

Oh but I keep on goin'
Keep on goin' on

I won't take no back talk
But I don't give no evidence
I don't hog no back door
An' I don't leave no incidence

'Cause it takes me all my time
Just to keep on goin' on, yes it does
It takes me all my time
Just to keep on goin' on

Oh but I keep on goin'
Keep on goin' on

I don't want your house
So don't stop me goin' home
I don't go to her house
But I still don't sleep alone, no

And it takes me all my time
Just to keep on goin' on, yes it does
It takes me all my time
Just to keep on goin' on

Oh but we keep on goin'
Keep on goin' on
