

Jackie McCullough, The Only Way

The way, the way of righteousness shall bring me peace
The way, the way of righteousness shall bring me joy
The way of righteousness shall bring me hope
It's the way of righteousness that removes all fear

(Chorus)

I shall walk therein
I shall do His will
I shall seek His face
No more time to waste
This is the way

The life, the life of Jesus Christ shall bring me peace
It's the life, the life of Jesus Christ it shall bring me joy
The life of Jesus Christ it shall bring me hope
It's the life of Jesus Christ it removes all fear

(Repeat Chorus)

My journey's great my faith is strong
Your arms are open wide to lead me on

The word, the word of God shall bring me peace
The word, the word of God shall bring me joy
It's the word, the word of Jesus Christ it brings me hope
It's the word, the word of Jesus Christ it removes all fear

This is the way to make it my friend

The only way that you can make it
The road to Jesus if you take it is
The only way that you can make it, my friend
