

Jackopierce, Get To Know Me Better

"I know you don't trust a thing that i say

That's ok

You see things build and watch them end

All I want is to be your friend

Life is too short to play games

Make false claims

Live under chance so

Build new things with our plans

Slowly now give me your hand

First I take a little then I give a lot to you

And it breaks my heart to see you smile

Everytime i tell the truth

Yeah, it's all right

If you would only take the time

To get to know me better

Now you trust what I say

Knew the day'd come soon enough

So when you ask then you'll receive

But you smile like you don't really believe

First I take a little then I give a lot to you

And it breaks my heart to see you smile

Everytime I tell the truth

Oh yeah

First I take a little then I give a lot to you

And it breaks my heart to see you smile

Everytime I tell the truth

Yeah it's alright

If you would only take the time

Would only take the time

To get to know me

Time

To get to know me better

Get to know me

Get to know me

Get to know me

Get to know me

Woooooooooo"
