Jackopierce, Get To Know Me Better

"I know you don't trust a thing that i say
That's ok
You see things build and watch them end
All I want is to be your friend
Life is too short to play games
Make false claims
Live under chance so
Build new things with our plans
Slowly now give me your hand
First I take a little then I give a lot to you
And it breaks my heart to see you smile
Everytime i tell the truth
Yeah, it's all right
If you would only take the time
To get to know me better
Now you trust what I say
Knew the day'd come soon enough
So when you ask then you'll receive
But you smile like you don't really believe
First I take a little then I give a lot to you
And it breaks my heart to see you smile
Everytime I tell the truth
Oh yeah
First I take a little then I give a lot to you
And it breaks my heart to see you smile
Everytime I tell the truth
Yeah it's alright
If you would only take the time
Would only take the time
To get to know me
Time
To get to know me better
Get to know me
Get to know me
Get to know me
Get to know me
Woooooooo"
