

Jackson 5, Carpark North - Transparent & Glasslike

Stop the clocks
Stop the cars
Tell your dad
That you've planned to come home
Do not smile
Do not sing
Close your eyes
And go to bed

I forgive
I pretend
Not to smile
'Cause i am
Stronger than you
You're transparent and glasslike

Stop your mind
Stop your heart
Tell your girl
Not to come home

I forgive
I pretend
Not to smile
'Cause i am
Stronger than you
You're transparent and glasslike
