

# Jackson 5, Carpark North - Transparent & Glasslike

Stop the clocks  
Stop the cars  
Tell your dad  
That you've planned to come home  
Do not smile  
Do not sing  
Close your eyes  
And go to bed

I forgive  
I pretend  
Not to smile  
'Cause i am  
Stronger than you  
You're transparent and glasslike

Stop your mind  
Stop your heart  
Tell your girl  
Not to come home

I forgive  
I pretend  
Not to smile  
'Cause i am  
Stronger than you  
You're transparent and glasslike
