

JackSoul, Let Me Call You Baby

Let me call you baby
Let me call you sweetie pie
Say you wanna be my lady
'Cause you're more than a friend o'mine.
Say you'll be my sugar dumplin'
My hugga-nugga love divine.
Tell me that you wanna be my baby till the end of time.

It's five o'clock in the morning
And we're up lounging with the moon.
Day is fast approaching
And I'll be leaving soon.
It's not long till it's on again
And you're calling, calling, calling to me.
And I know I won't be leaving
'Cause I can't let you be.

[Chorus]

Can I tell 'em that I'm down with you?
Can I tell the world you love me to?
I just wanna know how it is.
Ain't nobody gonna mess with this.
I don't wanna play around no more.
Here's my heart
Now tell me what it's for.

Tell me that you wanna be my baby till the end of time.
Tell my that you wanna be my baby till the end of time.

I just wanna call you baby.
I just wanna be your man.
I just wanna call you baby.
I just wanna be your man.

[Chorus]
