

# Jackyl, Dirty Little Mind (live)

Well I licked her clean from head to toe  
I took her down for the count  
She was ready for more  
And you know she's got a dirty little mind  
The way she walks  
The way she grooves  
I have to strap her down to keep up with her moves  
ANd you know she's got a dirty little mind

CHORUS  
She's got a dirty  
Dirty  
Dirty  
Dirty  
Dirty little mind  
Dirty little mind

STretched out in the night  
What do I feel?  
I feel so good it just can't be real  
And you know she's got a dirty little ind  
Well she makes me smile, yeah she makse me glad  
She's B.A.D.  
Yeah man she's bad  
And you know she's got a dirty little mind

CHORUS

And I know what she's thinking  
Yes I know what's on her mind  
You've got to know, my lady's sinking into her mind  
And I know she'll never let go  
I've got her on a stick

CHORUS
