

Jacob Hoggard, Brick House

She's a brick, house
She's mighty mighty, just lettin' it all hang out
She's a brick, house
She's stacked and that's a fact,
ain't holding nothing back.

The clothes she wears, the sexy ways,
make an old man wish for better days
She knows she's built and knows how to please
Sure enough to knock a man to his knees

I want a brick, house
She's mighty mighty,
just lettin' it all hang out
She's a brick, house
She's the one, the only one,
who's built like a amazon

Shake it down, shake it down now (repeat)

She's a brick, house
She's mighty mighty, just lettin' it all hang out
She's a brick, house
