

# Jacob Miller, Summer Jammin'

How sweet,  
The sunshine feels  
Coming down,  
From the heavens above  
Let&#039;s live, live, live  
The people jammin&#039; everywhere

Chorus:

Summer, jammin&#039; on the sidewalk  
Summer, jammin&#039; in the streets  
It&#039;s gonna be  
Summer, jammin&#039; in the park now  
The people jammin&#039; everywhere

Girls on the beach, havin&#039; fun  
Come on out and enjoy the sun  
Get on outside  
&#039;cause it&#039;s summertime  
Take off your hats,  
Throw off your coats  
Shake out your drawers  
And head for the door  
Get on outside

Chorus

Summertime ...

Don&#039;t you worry,  
&#039;bout a thing  
&#039;cause everything&#039;s gonna be alright  
Get on outside  
&#039;cause it&#039;s summertime  
Are you - ready to dance,  
Are you ready to sing  
Reggae party&#039;s about to begin  
Get on outside  
Let&#039;s live, live, live  
Let&#039;s live, live, live  
The people jammin&#039; everywhere
