

# Jadakiss, Feel Me (Skit)

Uh huh...

All I want you to do is feel me...

Why take time out, to give you the real me...

Uh, uh, uh

Ayo I grew up very athletic, hard headed  
thought I knew everything, wanted to do everything  
I was spoiled, stubborn, the only child  
so the only thing I could do was hold it down  
Now this is something that I could tell you that's no bullshit  
I always been wicked with the flow since a lil kid  
my first addiction, GI Joes and icies  
after that it was light skinned girls and Nikes  
breeze through junior high school, then high school  
couple of semesters of college and then night school  
Moms start riffin, talkin 'bout how she can't support a grown man  
so the god start flippin  
Pops used to say shit, but never to me much  
was like he wasn't even there cuz we aint agree much  
used to be gone for whole weeks at a time  
puffin one eleven, used to roll three out a dime  
then I found myself sleepin in late, doin nothing  
fuckin, runnin with the niggas that was hustlin  
shop wasn't open then, niggas was workin for a pair of Jordans  
the next two weeks they was broke again  
me and K keep havin talks of gettin coke again  
but the block was crowded we waitin for an openin  
meanwhile shit still slow we still flowin  
never stop or look back we still goin  
Bop passed the demo to Mary then she passed it to cousin  
We thought it was on but it wasn't  
and we can't blame nobody  
look at us now dog, we came in the game nobodies  
Double R and Interscope, put that cake up  
and we aint go platinum but we made niggas wake up  
got 'em all talkin 'bout pumpin the brick  
and they only go and see papi to get somethin to sniff  
I'm 'bout to fuck the game up for real like in the World Series  
nigga that parachute down in the field  
I don't rap I provide you bars  
and the pain is invisible, but you can't hide the scars  
so y'all never be on the level that we're on  
ability to have dope thoughts and spit heroin  
I'm good just wakin up  
That's how I know I got one more chance to go and cash in and cake it up...
