

Jade Valerie, Crush

You got me feeling like a high school crush
I know I talk too much, but for you I'll hush
Got me obsessed, from your head to your tush
No need to tease, just give me the push

What you doing to me
You got me feeling kinda silly

I've got an
Itty bitty teenie teenie crush on you
So stop your teasin'
Itty bitty teenie teenie crush on you
So stop your teasin'
And what you do, what you do
What you're doing to me

Let's drop your games and all your big man fuss
Nothing to solve, this ain't calculus
Time to light one up, time to get stone drunk
You're Shaquill O'neil and I'm a sure slam dunk

What you doing to me
You got me feeling kinda silly

I've got an
Itty bitty teenie teenie crush on you
So stop your teasin'
Itty bitty teenie teenie crush on you
So stop your teasin'
And what you do, what you do
What you're doing to me

Got me feeling like a high school crush
Don't talk too much, but for you I'll hush
Let's get loud and dumb, let's be some crazy kids
You're my main squeeze

I've got an
Itty bitty teenie teenie crush on you
So stop your teasin'
Itty bitty teenie teenie crush on you
So stop your teasin'
And what you do, what you do
What you're doing to me
