

Jadon Lavik, How Majestic

Oh Lord, how majestic is your name
In all the earth
Oh Lord, how majestic is your name

Oh Lord, how majestic is your name
In all the earth
Oh Lord, how majestic is your name

The sun the earth the moon the stars you hold in place
The mighty works of your hand and for your grace, we sing

Oh Lord, how majestic is your name
in all the earth
Oh Lord, how majestic is your name

Oh Lord, how majestic is your name
In all the earth
Oh Lord, how majestic is your name

The sun the earth the moon the stars you hold in place
The mighty works of your hand and for your grace, we sing

Oh Lord, how majestic is your name
in all the earth
Oh Lord, how majestic is your name

Oh what joy to know the ruler of all things
We come to bow and serve the king above all kings, and sing

Oh Lord, how majestic is your name
in all the earth
Oh Lord, how majestic is your name

Lord, how majestic is your name
in all the earth
Oh Lord, how majestic is your name

Oh Lord, how majestic is your name in all the earth
Oh lord how majestic is your name
Oh lord how majestic is your name
Oh lord how majestic is your name
Your Name
