[Chorus:]  
Ass hypnotic  
She got it so she flaunt it  
Ass hypnotic  
She got it so she flaunt it  
I love to make her mine but she play these mind games with me  
Ass hypnotic  
She got it so she flaunt it  
Ass hypnotic  
She got it so she flaunt it  
If I can't make her mine I want someone just like her

[Verse 1:]  
I was mesmerized by her booty  
I said right then that I was making her my duty  
I, I really, really wish she knew me  
Cause if she did she wouldn't think I'm just there for the cut  
Cause she always catch my eyes on her butt  
She need to go ahead  
She flirts with me but she yankin me to go ahead  
Thinking that she want me but she always playin scared

[Hook:]  
Sit nigga sit  
Trip a bitch go get her  
Quick to snatch a bitch up, up the nigga that's with her  
If that's really your chick you need to sit with her  
Its kinda hard payin attention when that ass

[Chorus:]  
Ass hypnotic  
She got it so she flaunt it (she got it so she flaunt it)  
Ass hypnotic  
She got it so she flaunt it  
I love to make her mine but she play these mind games with me  
Ass hypnotic  
She got it so she flaunt it (yeah, yeah)  
Ass hypnotic (oh, oh, oh)  
She got it so she flaunt it  
If I can't make her mine I want someone just like her

[Verse 2:]  
Now she don't come with nobody  
But she gonna leave with somebody  
Old school like hottie  
Game stuck like Gotti  
She ain't groupie out (?)  
You ain't gonna catch her in the lobby  
A man is like a hobby she just move on to the next  
And she gon get with me cause she think I'm up for the sex  
But her ass is so hypnotic  
Make me break into a sweat  
For real  
Shes beautiful  
But I can find one more  
Cause theres a lot of fish in the sea  
Of that I'm sure

[Hook:]

Sit nigga sit

Trip a bitch go get her

Quick to snatch a bitch up, up the nigga that's with her

If that's really your chick you need to sit with her

Its kinda hard payin attention when that ass

[Chorus:]

Ass hypnotic

She got it so she flaunt it (girl you know how to move)

Ass hypnotic

She got it so she flaunt it (the only reason I...)

I love to make her mine but she play these mind games with me

Ass hypnotic

She got it so she flaunt it

Ass hypnotic

If I can't make her mine I want someone just like her

[Verse 3:]
