

# Jagged Edge, I Promise

Nothing is promised to me and you  
So why will we let this thing go  
Baby I promise that I'll stay true  
Don't let nobody say it aint so  
And baby I promise  
That I will never leave  
And everything will be alright, I

Girl just believe

Forever such a very long time

But since they're not  
How can they say that I'm not true, oh, oh, oh
