Without my girl, imma lose it, i pray that he would just shed his grace on me, i need just to be back

Feel like i just walked right out of heaven  
Feel like i have damn near thrown my life away, hey yea yea  
Scared, just like a child that's lost at seven  
Dont know what to do, gotta get right wit you

Feel like i have damn near thrown my life away, hey yea yea

Dont know what to do, feel like i just walk right out of heaven

Let her, let her go i know, i don't wanna do it  
But if i continue to push she'll just pull away and i know that in my heart its a reality i didn't treat her  
To be treated, and i hope that shes not gone for good no no
