

Jagwar Twin, Bad Feeling (Oompa Loompa)

I got a bad feeling bout you

When the moon hits the sky, I'm a little unwell
Cause the truth is a lie that nobody can tell
Every kid on the block talks in riddles and prose
Then we dance till we drop
Drop
Drop

They say!

Everything's perfect here
And the sun is shining
Hey! Hey!
Everything's perfect here
There's nobody crying

Oompa Loompa
Doompety doo
I got a bad feeling bout you
Oompa Loompa
I don't know, dude
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

Animals!
Animals!
All misunderstandable
Carnivores and cannibals!
I want it on demand-able
Mandible, jaw split
Hit me with the gossip
Gossip
Are you fucking serious?

They say!

Everything's perfect here
And the sun is shining
Hey! Hey!
Everything's perfect here
There's nobody crying

Oompa Loompa
Doompety doo
I got a bad feeling bout you
Oompa Loompa
I don't know, dude
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

Nana na na
Nana nana na
Nana na na
Nana nana na

Everything's perfect here
And the sun is shining
Everything's perfect here
There's nobody crying!

Oompa Loompa
Doompety doo
I got a bad feeling bout you
Oompa Loompa
I don't know, dude
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

Bad feeling
Bad feeling
I got a bad feeling bout you

It's true
