No no no, no no,

No no nooh

[VERSE 1:]

Every time I stop and make a look back as I reflect on my life, my life

Every time I stop and make a look back at the struggles in my life, my life

In my life I've seen many things

In my life I've seen paupers turn to kings

Some people come and go

Yet their memories never fade

Not everybody knows, that the good things that you do, will be remembered for

Remembered for

[CHORUS 1:]

I've seen it all

The rising and the falling of many kings

And the bird that tries to fly away with broken wings

Yeah yeah

I've seen it all

And wicked people stand aside and do their thing

I pray to Jah, meditate and strum my guitar strings

Woo ooh woow yeaah

[VERSE 2:]
