(feat. Chaka Demus)

Now this one straight to all big man in all...
All youths and youths around da worl' be strong
Jah Cure! Sing Along!

Youths have turn to criiime
From time to time
I'm sorry dats your fault, thats not mine, big man
Your system and your laws
And wen it sink its claws
Brings nothing but poverty to the poor man's dooor
Can't you seee, enooooough is enough
Wait until anger full d poor mans cup
It a go bitter in d end, woah (it a go bitter)
Strive with those, who strive with you my friend
Revolution staaart
Who a go hol it out?
No weak heaaart
Could never hol it ooout
Revolution staaart
Who a go hol it out?
No weak heaaart
Could never hol it ooout
