

Jahcoustix, Searching For The Truth

Do you know
Your love lady I can still remember
You opened the door
It was your vibe to which I had to surrender

Truth

And I don't know, don't know what to say
When you left me just that other day I felt lonely hey
And I don't know but I've got to go
Far away from you

I'll be waiting, waiting for that day

Searching for the truth (3x)

Do you know
I saw ya vision passing by like a blaze of fire
Do you know
That when I see your face your beauty takes me higher

Truth

And I don't know, don't know what to say
When you left me just that other day I felt lonely hey
And I don't know but I've got to go
Far away from you

I'll be waiting, waiting for that day

Searching for the truth (3x)

Waiting for that day
Searching for the truth
Searching for

I don't know why (4x)

And I'll be waiting, waiting for the day

Searching for the truth (3x)
Searching yeah
