

Jaime Jamgochian, Love Rains Down

Hi as the sky
Deep as the sea
Your love keeps pouring down on me

Bright as the sun
Fresh as the dawn
Your mercy carries on

As far as the East from the West
So far have You taken our sins from us
And we Praise Your name, Jesus
Everything is changed
Everything is new
Love rains down because of You
(Love rains down, love rains down)

Comes like a flood
Into my soul
Drowns me but it makes me whole

Sweep me away
Into Your heart
You are faithful, God

As far as the East from the West
So far have You taken our sins from us
And we Praise Your name, Jesus
Everything is changed
Everything is new
Love rains down because of You
(Love rains down, love rains down)

The old is gone the new has come
Love rains down, love rains down
In this world in his heart
Love rains down, love rains down

As far as the East from the West
So far have You taken our sins from us
And we Praise Your name, Jesus
Everything is changed
Everything is new
Love rains down because of You
(East from the West)

So far have You taken our sins from us
And we Praise Your name, Jesus
Everything is changed
Everything is new
Love rains down because of You

Everything is changed
Everything is new
Love rains down because of You

Love rains down, love rains down, love rains down, love rains down, love rains down, love rains down
