Jaimeson, Take Control (Feat. Ck And Angel Blu)

(Jaimeson)
(Angel Blu)
(Oh come on!)

Like the way that we're bumpin tell you somethin feelin good inside
Its the way I was movin
No illustration when I caught your eye
Allow me to mention my intention thats in store for you
Just turn out the light
Get ready tonight
I'll show you what to do

(Chorus)
You make me feel good, so good
Real, real good
You make me feel god, so good
Real, real good
So

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till I'm weak
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay

Can I make a confession
There's a question that I have to ask
Can we take it slowly, get to know me or just make it...
So open the door, come in for more, if you can take the heat
Yeah that one's for me, so jus' let me be your private fantasy

(Chorus)
You make me feel good, so good,
Real, real good,
You make me feel good, so good,
Real, real good,
So

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say Ay ay ay ay
Let your body speak to me
Ay ay ay ay

(Chorus)
You make me feel good, so good,
Real, real good,
You make me feel good, so good,
Real, real good,
So

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me

Ay ay ay ay

(Break it down)

Switch, J-A-I-M-E-S-O-N
I don't stop I just keep goin
You didn't know it was me who was makin them hits
Selecta, true, complete, now this
Listen up close as I increase the bowls and I'm raisin your pulses
The maximum, lay it on ya real simple
Keep it nice and clear
From my pen to the mic I'm straight to here

That's how we do

Selecta be true

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay

Take control let it flow
Ay ay ay ay
Hit me low, nice an' slow
Ay ay ay ay
Make it beat, till I'm weak,
Say ay ay ay ay
Let your body speak to me
Ay ay ay ay
