

# Jain, Maria

Side by side  
My face reflected in your eyes  
Light up the night  
I let you be my guide  
Hope and mercy  
You and I  
Pray for mercy  
You and I  
Oh Maria  
Oh Maria  
Please don't  
Don't turn your back  
Yeah I feel something  
like a heartquake under our days  
So real my skin  
Under pressure feel the tremors  
Understanding is all I ask  
Please have mercy don't turn  
your back  
Oh Maria  
Oh Maria  
Please don't  
Don't turn your back  
Oh Maria  
Oh Maria  
Please don't  
Don't turn your back  
I wish that you could see  
Mercy for you and me I wish that you could see  
Mercy for you and me  
I wish that you could see  
Mercy for you and me  
I wish that you could see  
Mercy for you and me  
We all say stuff  
That hurts sometimes  
But it's not enough  
To break this heart of love  
Oh Maria  
Oh Maria  
Please don't  
Don't turn your back
