

Jake Owen, Hard Not To Love You

I've always been the kind of man to jump the gun, and cut and run. Stayin' one step ahead of that ol'
Settlin' down never crossed my mind. It was easier to leave the knot untied. It looks like a lot of thin

Chorus

You're makin it hard not to love you
Makin it tough on a man like me
Who's always found a way to get around this kind of thing
'Cause when you put your lovin' on me
I can't help feelin' like I do
Girl, you're makin it hard not to love you

This mornin when you kissed my cheek
I was sufferin from a lack of sleep
'Cause we stayed up makin love half the night
Well I must have got my second wind
'Cause just like that it was on again
Nothing's ever been easier for me in all my life (Girl)

Repeat Chorus

Yeah baby when you put your lovin on me
I can't help feelin' like I do
Girl, you're makin' it hard not to love you
Baby, you're makin it hard not to love you
hard not to love you
Yeah, you're makin' it hard
