

# Jamelia, Money

Money don't say you love me

Cash won't make me stay  
I came here with my own things  
And I can leave the same way  
And if you really cared babe  
You would spend your time  
If you don't understand  
You can't afford mine so  
Ain't a pre-Madonna  
So I can't fall in love with material things  
You need to offer more than chains and diamond rings  
I need to know that there's a place for me deep in your heart  
I don't give a damn, 'bout your credit card so  
Money don't say you love me  
Cash won't make me stay  
I came here with my own things  
And I can leave the same way  
And if you really cared babe  
You would spend your time  
If you don't understand  
You can't afford mine no  
I must admit it I was fine with your talkin' an gifts to start  
Now all that's wanted is to know I got your heart  
I have no idea, 'bout where this is gonna go  
I don't really care, for your amount a' dough  
Money don't say you love me  
Cash won't make me stay  
I came here with my own things  
And I can leave the same way  
And if you really cared babe  
You would spend your time  
If you don't understand  
You can't afford mine no  
So you think I got a price tag on me?  
Just a' flash your cash and your all I see (all I see)  
Well let me tell you something you couldn't be more wrong about me.  
All your fancy cars they just don't turn me on, you got me wrong  
Make all the money that you can coz money don't make it with me  
Money don't say you love me  
Cash won't make me stay  
I came here with my own things  
And I can leave the same way  
And if you really cared babe  
You would spend your time  
If you don't understand  
You can't afford mine no  
Money can't buy my love  
Money can't buy my love  
Money cant buy my love
