# James Arthur, Comeback Kid

We're running through the streets darling, where we're going?
You got me on that summer wine and blues, smoking by the tides

It's a rush whenever you're lying next to me
The kind of love that comes around in a century
Yeah, I just wanna feel you 'til the end of time

No. I, I can't live without you
I'm trying, I'm trying
But I, I can't live without you
Just tell me you feel the way I do

They're calling me the comeback kid
You're the one that changed me
And I know that if I ever slip
You'll be the one that saves me

It's a trip whenever you're lying next to me
And your lips, the definition of ecstasy
Yeah, I just wanna feel you 'til the end of time

Alright, I'll admit, I was not prepared for this

No. I, I can't live without you
I'm trying, I'm trying
But I, I can't live without you
Just tell me you feel the way I do
Just tell me you feel the way I do
Just tell me you feel the way I do

Baby don't cry
Just say you're mine
I wanna be with you now
'Til the end of time

Baby don't cry
Just say you're mine
I wanna be with you now
'Til the end of time

No. I, I can't live without you
I'm trying, I'm trying
But I, I can't live without you
Just tell me you feel the way I do
Just tell me you feel the way I do
Just tell me you feel the way I do

Baby don't cry
Just say you're mine
I wanna be with you now
'Til the end of time (Just tell me you feel the way I do)

Baby don't cry
Just say you're mine
I wanna be with you now
'Til the end of time (Just tell me you feel the way I do)

Baby don't cry
Just say you're mine
I wanna be with you now
'Til the end of time (Just tell me you feel the way I do)
